@kendrakicks I have been going through these the past
few weeks not a dud in there

angry chicken: homemade deodorant (yup.)

http://angrychicken.typepad.com/angry_chicken/2008/07/homemade-deodor.html

3 Tablespoons shea butter 3 Tablespoons baking soda 2 Tablespoons corn starch 2 Tablespoons cocoa butter 2 vitamin E oil gel caps (puncture and squeeze out the oil) Essential Oil (I used ylang yang and orange) I melted all the ingredients (except the oils) and gave it a good stir. This only took about 30 seconds in the microwave. Then added the oils, stirred again, and poured it in a jar, then placed it in the fridge to set. This recipe filled the jar in my hand, which is a 1/4 pint.

diy, health, natural, deodorant
